Programming Design Systems

Final Proposal

Zhuoxi Song

November 22, 2016

What is the content you're designing?

- I'm designing the background pattern for ID badges for a imaginative company

What is the intended form of your project?

- They will be generative patterns based on each ID owner's name, or photo

John Doe

Jane Roe

Why is this done in code?

- Generative patterns can be tweaked and manipulated easier with code than with hand
